

Young Philanthropists

YP 20's

What is YP 20's?

YP 20's is for people in their twenties who want to give back to the community, but cannot yet make the commitment to joining Young Philanthropists (YP), a sub-set of the Palmetto Society (United Way's \$1,000+ group). YP 20's participants make the commitment to growing their giving to \$1,000 by the time they reach age 30.

Why Should I Join YP 20's?

YP 20's members are recognized as community leaders in all United Way Palmetto Society membership listings. As a YP 20's participant, you will also be invited to all YP functions and have the ability to network with hundreds of other young professionals in our community. Finally, and most importantly, we hope you will join YP 20's to show the commitment you have to helping others in need and to making intentional decisions about how to plan your philanthropy.

How Does YP 20's Work?

Simply complete the bottom portion of this form and return to your Campaign Coordinator (if you are part of an employee campaign) or return directly to the United Way. Your birth year is required to participate in YP 20's.

YP 20's Giving Plan

It is my intention that my giving will reach the level of \$1,000 by the time I am age 30, and that I will increase my gift incrementally to achieve this goal. I understand that this is not a binding pledge and that signing this letter merely enables United Way to recognize me for my current and future participation.
