

SO, WHAT IS PROPEL GREENVILLE?

Propel Greenville is a six-week board training and executive leadership program that exposes participants to integral elements of board membership and effective service, preparing them to serve our community through a nonprofit board or committee after graduating from the program.

NEED A QUALIFIED BOARD MEMBER?

Propel Greenville educates and trains prospective board members on the nuts and bolts of the nonprofit industry, preparing them for service on a nonprofit board.

GAIN DIVERSE PERSPECTIVES ON YOUR BOARD

United Way and the Greenville Chamber have a vested interest in promoting diversity and inclusion in executive leadership positions on board of directors and committees around our community. Each Propel Greenville graduate will reflect these ideals.

CONNECT WITH POTENTIAL BOARD CANDIDATES

Propel Greenville graduates are encouraged to connect with a nonprofit and serve on a board or committee. The final session of the program is the agency fair, a great opportunity for nonprofits and participants to connect.

STRENGTHEN RELATIONSHIPS

Propel Greenville is a joint venture between the Greenville Chamber and United Way. Be part of this community collaboration to prepare the next generation of Greenville County leaders.

THERE IS LOTS TO GIVE, AND LOTS TO GAIN!
