Staunton Bridge is far from where I live. Is there another location where I can pick up a backpack?

We have two satellite locations at Greer Relief (202 Victoria Street, Greer, SC 29651) and Simpsonville Activity & Senior Center (310 West Curtis Street, Simpsonville, SC 29681) for your convenience. We are also sponsoring a fare-free day for the entire Greenlink bus network to help you get to where you need to go—whether you're attending School Tools, going to work or the grocery store.

I live in Fountain Inn. Can I attend?

Yes! School Tools is for all students in Greenville County.

My company would like to sponsor this event.

How do we become sponsors?

Please contact Tedra Coakley at tcoakley@unitedwaygc.org.

I'd like to volunteer. Are there opportunities for me to do that?

Yes! We couldn't do this without the support of our volunteer community. Volunteer opportunities can be found [here](#).

My faith community/company/organization would like to volunteer. Is there a way for us to volunteer as a group?

Yes. When signing up to volunteer, there's an option to "Sign up with a team," which will allow you to choose an existing team of which you're already a member or captain, or create a new team.

Can my child volunteer with me?

Yes. The child must be at least eight years old, and you will need to fill out a liability waiver upon your arrival at the volunteer site.

I'm in need of supplies. Where can I go to receive them?

Our School Tools Day event will take place at Staunton Bridge Community Center (165 Staunton Bridge Road). Our two satellite locations—Greer Relief and Simpsonville Activity & Senior Center—will be open from 10 a.m. to 2 p.m. or until supplies run out.

I have a question that isn't answered here.
