

CREDIT CLARITY WORKSHOP

Empowering Your Financial Future

January 25, 6:30 – 7:30 p.m.
United Way of Greenville County
105 Edinburgh Court, Greenville, SC 29607

A solid understanding of your credit report and score is indispensable for making sound financial decisions. Your credit is more than a set of numbers; it represents your financial reputation and plays a pivotal role in determining your ability to secure loans, mortgages and even employment opportunities.

Join United Way of Greenville County and CPM Federal Credit Union for a free workshop that will demystify the complexities of credit reports and scores, empowering you to take control of your financial well-being. We will also introduce CPM's Elevate Program, created to serve those who may not be able to obtain traditional financing for debt consolidation, auto and personal loans, or credit cards.
